

Fort Collins Rockhounds, Inc.

A rock & mineral club you & your family are welcome to join.

The Rockhounds meet on the third Monday of the month at the HARMONY PRESBYTERIAN CHURCH, 400 E. Boardwalk Ave., Fort Collins, CO, at 7:00 P.M. (except July, August, and December).

Our programs feature films, lectures, slide presentations, and show-and-tell on topics of interest to people who want to become more knowledgeable about geology, fossils, minerals, faceting, cabbing, or lapidary/metalsmithing work. Refreshments, door prizes, and social time follow programs.

Our activities include field trips in the summer and indoor field trips in the winter. We host the annual Gem and Mineral Show in March or April at the Lincoln Center. We also participate in special projects. We maintain an extensive club library and publish an informative monthly newsletter called "The Lodestone." Social activities include our annual Christmas Dinner and our summer picnic complete with rock bingo! We are members of the American, Rocky Mountain & Colorado Federation of Mineralogical Societies.

Our membership includes all age groups from all occupations. We have students, homemakers, white & blue-collar workers, professional people, and retirees. Annual dues are \$10.00 per couple/family, \$2 for a junior member, or \$8.00 for a single membership.

If you are now, or want to be a collector of rocks, minerals, fossils, gems, or artifacts or have an interest in lapidary, please fill out the membership form and send it to Fort Collins Rockhounds, P.O. Box 272777, Fort Collins, CO 80527.
